

2023 Professional Photography Sessions

Thank you for your inquiry concerning photography sessions at our tree farm.

We do allow professional photographers to utilize our farm for photography sessions.

The charge is \$40 for a one(1) hour session UNTIL 4pm*, \$75 for a two(2) hour session, \$105 for a three(3) hour session, \$130 for a four(4) hour (half day) booking, and \$215 for a full day booking **(cash or check)**.

*ADDENDUM: The last hour of the day, 4pm-5pm (or 5pm-6pm DST) requires a minimum 2 hour contiguous reservation.

Due to Christmas tree sales volume, the farm is closed to professional photographer sessions the Monday before Thanksgiving until the year end.

For booking, please email Steve at slpenland69@gmail.com or call 803-366-7605

Steve Penland, Owner

Note: Terms & rates are per a single photographer. Studios that bring more than one photographer will be charged for each photographer. Such a scenario must also be approved prior to reservation so that we can be sure not to overcrowd the farm.
